George G M James : Stolen Legacy: The Egyptian Origins of Western Philosophy before purchasing it in order to gage whether or not it would be worth my time, and all praised Stolen Legacy: The Egyptian Origins of Western Philosophy:

86 of 96 people found the following review helpful. Fake Copy of BookBy FranI am in the process of returning the book because it is not the real book as advertised. This is not a comment on the Book titled "Stolen Legacy" by George G.M. James who is a wonderful author and writer. This is to alert the public that this book with this cover is a

copyright infringement book. The original book published by Philosophical Library in 1954 - First Print - contained 190 Pages. This copy only has 166 Pages. There is no mention of the publisher or copyright inside the first page of the book.0 of 0 people found the following review helpful. I am almost done reading this book. The writer ...By Mildred HillI am almost done reading this book. The writer really has done his homework with this book.It so simply written and it keeps you reading. Very fascinating!0 of 0 people found the following review helpful. I really enjoyed reading thisBy CustomerSuperb! I really enjoyed reading this, It would be of great use if the history books would tell the whole truth about history. Not only did Africa create a magnificent culture, but their culture was and is the armor barrier for the world's culture. Africa has a very rich culture, but few are aware of it.

2015 Reprint of 1954 Edition. Full Facsimile of the original edition. Not reproduced with Optical Recognition Software. James argued that Egypt was the true source of the Mystery teachings and therefore any claim to such origin by the ancient Greeks is not only dishonest, but must have been based on dishonest motives. "Stolen Legacy" was one of the first scholarly works that attempted to recover the "lost" history of early African civilization.
