Pamela Geller : Stop the Islamization of America: A Practical Guide to the Resistance before purchasing it in order to gage whether or not it would be worth my time, and all praised Stop the Islamization of America: A Practical Guide to the Resistance:

3 of 3 people found the following review helpful. Five Stars By mike ramsey Great! 3 of 4 people found the following review helpful. Great Addition to My Library. By Larry A. Singleton Great Book. Put it right along side my copies of

Michelle Malkin's "Invasion" and "Culture of Corruption". 17 of 21 people found the following review helpful.
Amazing research - a bit opinionated but very important
By @michaeldcarney
This is a quick read - and worth the understanding. Keeping in mind that this is one point of view the bias is clear this is an important work. The research is accurate and the issues are urgent. Will we let another Holocaust happen in our lifetimes? or will we learn from history? Only the ignorant and passive are doomed to repeat the evils of our history. Even if you end up in disagreement with this polarizing author you'll have to come face to face with the facts of our potential destruction if we ignore the threat for the sake of political correctness. Read this book, prevent the next war.

Islamic supremacism is seeping into every aspect of American life. Islamic jihad groups aren't solely concentrating on terror attacks (although another one of those could come at any moment), but on the creeping encroachment to introduce Islamic law into this country, step-by-step and bit-by-bit, until finally America wakes up to a country transformed into an Islamic state. In *Stop the Islamization of America*, the renowned activist Pamela Geller lays bare the chilling details of the Muslim Brotherhood's strategy of steady subversion and erosion of our freedoms, while offering a practical guide for how to fight back. Written by an original thinker and innovative, tested, successful activist, *Stop the Islamization of America* is a much-needed wake-up call about a sinister, subversive agenda that could do nothing less than destroy the United States - with unique instructions about how we can, and must, fight back now to defend our nation and our civilization.

About the Author
Pamela Geller is the founder, editor, and publisher of AtlasShrugs.com. She is the executive director of Stop Islamization of America (SIOA), as well as the Freedom Defense Initiative (FDI), and is a regular columnist for the *American Thinker*, *Human Events*, and other publications. She is the author of *The Post-American Presidency: The Obama Administration's War on America*.
