**Pratibha Nath : Story of Ram: And His friends in the Forest** before purchasing it in order to gage whether or not it would be worth my time, and all praised Story of Ram: And His friends in the Forest:

An unusual retelling of the Ramayan, with the focus on the forest and the animals and demons who lived there. Drawing on Valmiki, Tulsidas and popular sources, the author's graphic descriptions of nature and characters skilfully bring alive the timeless epic. Complementing and reflecting the mood of the text, Sujasha Dasgupta's superlative illustrations make the book a vibrant visual treat.
