Emmeline Pankhurst : Suffragette: My Own Story before purchasing it in order to gage whether or not it would be worth my time, and all praised Suffragette: My Own Story:

4 of 4 people found the following review helpful. easy to readBy marytwow what a story. it really tells how women fought for our human rights. we need more herstory. easy to read2 of 2 people found the following review helpful. Four StarsBy peter mundaywell written . Holds readers attention0 of 0 people found the following review helpful. I

learned a great deal from this book By Dorothy Dale Hughes I learned a great deal from this book, and it really made me more aware of the great debt I owe those who came before me. I love to vote, and wish everyone did. It is shameful how many women...and men...choose to not vote.

The gripping memoir of the leader of the British suffragette movement who was named by Time as one of the 100 Most Important People of the 20th Century With insight and great wit, Emmeline's autobiography chronicles the beginnings of her interest in feminism through to her militant and controversial fight for women's right to vote. While Emmeline received a good education, attending an all-girls school and being expected to conform to social norms, she rebelled against conventional women's roles. At the age of 14 a meeting of women's rights activists sparked a lifelong passion in her to fight for women's freedom and she would later claim that it was on that day she became a suffragist. As one after another of the proposed feminist bills were defeated in parliament, Pankhurst was inspired to turn to extreme actions. While she was the figurehead of the suffragette movement, it advocated some controversial tactics such as arson, violent protest, and hunger strikes. Even today there is still debate about the effectiveness of her extreme strategies, but her work is recognized as a crucial element in achieving women's suffrage in Britain. Her mantle was taken up by her daughters and granddaughter with her legacy still very much alive today.

"She shaped an idea of women for our time; she shook society into a new pattern from which there could be no going back" * Time * "She put body and soul at the service of liberty, equality and fraternity and secured a triumph for them" -- Rebecca West "Emmeline Pankhurst fought for women's suffrage with indomitable courage" * Guardian * "She shaped an idea of women for our time; she shook society into a new pattern from which there could be no going back" * Time * "She put body and soul at the service of liberty, equality and fraternity and secured a triumph for them" -- Rebecca West About the Author Emmeline Pankhurst (1858-1928) was a political activist and leader of the British suffragette movement. In 1903, she founded the Women's Social and Political Union (WSPU). She died only weeks before the Conservative government's extended the vote to all women over 21 years of age.
