Sultan of Hearts: Prophet Muhammad details the exemplary life of Prophet Muhammad, peace and blessings be upon

him. Available as a set of two volumes, the book is not simply a chronological look into the life of the Prophet but rather an exclusive look into his character, attributes, and qualities through the eyes of his companions and family most close to him. Brimming with passion and emotion, *Sultan of Hearts: Prophet Muhammad* transports the readers to the Arabian peninsula centuries ago, as if lifting the constraints of time and space, allows them to discover and explore with freedom the Age of Happiness.
