Price was alright and a quick delivery0 of 0 people found the following review helpful. OKBy Jimeny JackOK.1 of 1 people found the following review helpful. Defective printBy DietlbombThe book appears to be a print-

on-demand version of an electronic text. The last sentence on page 16 reads as follows: "In that year, the French under De Sarzec began to excavate at Telloh the ancient Sumerian city of". On the following page there is no resolution to the sentence. There are no pictures in the edition that I purchased. There are captions, however, that refer to maps and pictures. I do like Kramer's writing, where it exists.

Sumerian Mythology Revised Edition Samuel Noah Kramer "A real addition to the body of world mythology."--  
American Anthropologist "No people has contributed more to the culture of mankind than the Sumerians, and yet it has been only in recent years that our knowledge of them has become at all accurate or extensive. [This book is] our first authoritative sketch of the great myths of the Sumerians, their myths of origins, of creation, the nether world, and the deluge. The book . . . makes entrancing reading and for the general reader it opens up a whole new vista undreamed of before."--Theophile J.
