Sun Bear, Wabun, Edward B. Weinstock : Sun Bear, the Path of Power before purchasing it in order to gage whether or not it would be worth my time, and all praised Sun Bear, the Path of Power:

In The Path Of Power, Sun Bear's life and lessons are told subtly through stories of his experiences, including the founding and growth of The Bear Tribe. Through his teachings, readers can discover how to accomplish their goals, survive this time of earth cleansing, and follow their own path of power in life.
