This family made an impact on my life. I remember an interview from the 25th anniversary of the liberation. Truly, the author's parents were part of the greatest, bravest generation. The perseverance of not only his parents, but all survivors is beyond amazing. Again, an amazing book, and one of the best I've read, and HIGHLY recommend it.

They did not know each other before World War II, although they were from the same neighborhood in Amsterdam. Rose and Louis Van Thyn each endured Auschwitz and other Nazi concentration camps, were the only surviving members of their original families, lost their first spouses, and met and married after the war in Amsterdam. This is their story of survival, and a new life in the United States.

About the AuthorNico Van Thyn, son of two Holocaust survivors, came to the United States with his parents at age 8 in January 1956. He spent much of his early life in Shreveport, Louisiana, and had a 45-year career as a sports journalist. He is retired and living in Fort Worth, Texas.
