Good insightsBy stephanie hancocklearningCompassionEnjoyed reading this bookI'm sure others will gain knowledge from this book of history and real life3 of 3 people found the following review helpful. Stories that touch the heart and soul that looks at the remarkable courage of the Holocaust

survivors. By Quilter These stories of the Holocaust survivors were touching and showed such strength in spirit and their love for life and family. I bought a copy of this book for a family member as well and she is now reading it, as I wanted to keep my book to read again to always keep in my memory those awful times these children went through and survived, as we should never, ever forget what our Jewish citizens went through during the terrible reign of Hitler. May we never see this happen again! 0 of 0 people found the following review helpful. Five Stars By karen fosterawesome

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust. These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.

About the Author Allan Zullo is the author of more than 120 nonfiction books on subjects ranging from sports and the supernatural to history and animals. He has introduced readers to the Ten True Tales series, gripping stories of extraordinary persons who have met the challenges of dangerous, sometimes life-threatening, situations. In addition, he has authored five books about the real-life experiences of young people during the Holocaust. Allan, the father of two grown daughters and grandfather of five, lives with his wife, Kathryn, near Asheville, North Carolina. To learn more about the author, visit his website at www.allanzullo.com.
