Five StarsBy Mehul ahirJay jalaram0 of 0 people found the following review helpful. Good book especially for Kids..By Dr. MitezThis is the ONLY book on Jalaram Bapa available on in English. I agree to comments made by authors "Most ideal book to be read as bed-time stories for kids"

This book is about Jalaram Bapa, a saint born in Virpur; Gujarat. His devotees worship him no less than any other God. Mainly Gujaratis worship Jalaram Bapa. This book is a compilation of His parchas - the miracles performed by JalaBapa. These parchas were passed on from generations to generations. We heard them from our grand parents and for the benefit of all our readers, we have tried to compile them all together. This book is ideal to be read out to children as bed-time stories. Surely to benefit readers of all age.

About the AuthorThis is the first work of the authors - two brothers; Chirag Paresh Sheth and Yuvraj Paresh Sheth. They have been hearing miracle tales of Shri Jalaram Bapa all their lives from their grand parents. They decided to compile them all for the benefit of their readers. Currently, Chirag is a student of class X and Yuvraj is a student of class VI. They study in JJ Academy English High School, Mulund, Mumbai. Readers would be pleasantly surprised to read their work, if they have underestimated these school students in their role as authors of this book. Chirag and Yuvraj are currently working on their second book which will most probably be titled "7 weird truths of life"
