David M. Kennedy, Lizabeth Cohen : The American Pageant, Vol. 2, Since 1865 before purchasing it in order to gage whether or not it would be worth my time, and all praised The American Pageant, Vol. 2, Since 1865:

0 of 0 people found the following review helpful. A college textbook? Could have fooled me...By AutumnRose I'm pretty disappointed in the quality of the text in this textbook. This in no way has an effect on or their customer services, which is always excellent. This textbook is a college textbook. But there are various instances that were completely absurd in the written text I had a hard time getting through it. I found the material studied interesting. But the writing... good lord. I found that the book tries to use too many words that are unnecessarily flowery, overly pretentious, and added nothing to the material. It stood out and did not flow with the text. Many times excessive use of alliteration was used to the point of being laughable. The following is a direct quote from page 855 of the text: "But MacArthur pooh-poohed all predictions of an effective intervention by the Chinese and reportedly boasted that he

would "have the boys home by Christmas." This COLLEGE textbook actually udesign the word pooh-poohed. I mean, come on. Seriously. My own personal opionion, I but I was deeply disappointed in how this text was written. 1 of 1 people found the following review helpful. Pages cut off-Kindle EditionBy Kimberly JenkinsI have rented the Kindle edition and some of the pages seem like they are cut off on the sides-like they were scanned but the scanner cut the page off. So far it is on pg 588, I will update if I find anymore. It is kind of annoying and disappointing, glad I only rented it. 0 of 0 people found the following review helpful. College BookBy CustomerRequired book for class.

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts in American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The Fifteenth edition includes markedly deeper explorations of the cultural innovations, artistic movements, and intellectual doctrines that have engaged and inspired Americans and shaped the course of American history. Additional features of THE AMERICAN PAGEANT help readers understand and master the content: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present primary sources, scholarly debates, and key historical figures for analysis.

"[The American Pageant] has what I would call a 'macro' and 'micro' approach to history; it presents the American drama both in terms of broad, over-arching themes and through the eyes of the individuals who were the players on its stage. In short, you get to see the forest and the trees!" "The Thinking Globally features provide students with 'rainbow' type lenses to help discover that history is always about interplay and interaction of different countries and cultures." About the Author David M. Kennedy received his Ph.D. from Yale University. He is the Donald J. McLachlan Professor of History Emeritus and co-director of The Bill Lane Center for the Study of the North American West at Stanford University. His first book, BIRTH CONTROL IN AMERICA: THE CAREER OF MARGARET SANGER, was honored with both the Bancroft Prize and the John Gilmary Shea Prize. He has won numerous teaching awards at Stanford, where he teaches both undergraduate and graduate courses in American political, diplomatic, intellectual, and social history, and in American literature. Dr. Kennedy published a volume in the OXFORD HISTORY OF THE UNITED STATES, FREEDOM FROM FEAR: THE AMERICAN PEOPLE IN DEPRESSION AND WAR, 1929--1945, for which he was honored with the 2000 Pulitzer Prize. He is an elected fellow of the American Academy of Arts and Sciences and of the American Philosophical Society, and he served from 2002--2011 on the board of the Pulitzer Prizes.
