Jane R. McIntosh : The Ancient Indus Valley: New Perspectives (Understanding Ancient Civilizations) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ancient Indus Valley: New Perspectives (Understanding Ancient Civilizations):

This work is a revealing study of the enigmatic Indus civilization and how a rich repertoire of archaeological tools is being used to probe its puzzles. A chronological overview that establishes the important phases of the Indus civilization and places Indus society in the historical context of the development of South Asia Illustrations showing speculative reconstructions of the Indus civilization's magnificent cities and photographs of artifacts from exquisite jewelry to beautiful carved seals
