A journey through Jerusalem's ancient tunnels to the lost Ark of the Jews and the theory that connects them to the modern State of Israel. Adapted from the original research paper, lectures and public presentations.

About the Author Harry H. Moskoff, Executive Producer and Writer of The ARK Report Secret of the Century, is a Canadian-born research analyst working in Patent and Trademark Law in Israel. Moskoff founded MOSKOFF-MEDIA Legal Counsel (MMLC) in Israel in 2010, serving as a legal representative to law firms since moving there with his family in 2005. His passion for digging deep beneath the surface of an issue to investigate the truth led him to pore through hundreds of sacred and secular documents, forming the basis of The A.R.K. Report document and groundbreaking feature film by the same name ([www.arkreportfilm.com](http://www.arkreportfilm.com)). As a hobby, Moskoff is a (semi-retired) auxiliary member of the Israeli Police border protection unit, and has earned a diploma in Executive Counter-Terrorism from IDC University in Hertzlia. As an ordained Rabbi in Israel, his passion for biblical archaeology merged with his Torah studies. Described as slightly eccentric and the real-life (Jewish) Indiana Jones, Moskoff strives to be at the leading edge of discovery, inspiring thousands with his lectures in this field.
