By Mary Evanco-Caryk
I bought the book for my 87 year old dad who keeps saying it is the best book he was ever given. As a young child he would go to the library and read statistics about all his baseball heroes and write them down. He can give all kind of statistics that most of us wouldn't ever know of. He tells daily that this is the best book ever. His grandfather ran the baseball stadium in Olean, NY. He grew up surrounded by baseball.

For baseball lovers, a very good book. Print could be larger.

An addictive read, sure to spark conversation wherever baseball is spoken, the third edition of The Baseball Maniacs Almanac is part reference, part trivia, part brain teaser, and absolutely the greatest, most unusual, and thorough compendium of baseball stats and facts ever compiled.
