Luis Nunez Astrain : The Basques: Their Struggle for Independence before purchasing it in order to gage whether or not it would be worth my time, and all praised The Basques: Their Struggle for Independence:

0 of 0 people found the following review helpful. Four StarsBy Customervery useful for someone who does research.

Now back in print, this book explains why the Basque Country has not been officially recognized, why it is politically divided, and why there is discrimination against its language. The book describes the two-fold response of the country itself, first of all in the creation of the Partido Nacionalista Vasco (The Basque Nationalist Party), and then of Euskadi Ta Askatasuna, otherwise known as ETA. The book traces the political, cultural, and linguistic history of the Basque

people and their struggle for independence from the Spanish and French States.
