From Dennis Publishing : The Bookies Pencil: Viz Annual 2017 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Bookies Pencil: Viz Annual 2017:

2016 is set to go down in history as the year that Viz released another annual. The Bookie's Pencil, is a magnificent collection of the best strips, features, spoof ads and stories from the nation's favourite humour mag. Editor Hampton Doubleday has taken issues 232-241 and discarded all the dross, leaving just the cream for his readers to savour.
