John S. Strong : The Buddha: A Beginner's Guide (Beginner's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Buddha: A Beginner's Guide (Beginner's Guides):

1 of 1 people found the following review helpful. I took a Buddhist class to get my credit and I fell in love with itBy LoriaunaHaving thought I knew all there was to know about Buddhism, I was so wrong!!I took a Buddhist class to get my credit and I fell in love with it. What a great book to teach you all you thought you knew,but did not. It goes from the history of Buddhism to what truly happened to all of the Buddhas. Amazing book.0 of 0 people found the

following review helpful. InsightfulBy KatieSuch a fantastic read! Really enjoyed learning more, and used this book for a college class.1 of 1 people found the following review helpful. No page numbers!By CustomerThere is absolutely nothing wrong with the text, it is a fairly typical college text book. I got this on kindle and was dissapointed not to find page numbers. How can I cite the location of a quote without page numbers. Even following along with the readings was difficult as it was assigned using page numbers. If you want to learn about Buddha this is fine but if your getting it for college, I suggest a different format.

From his many births to his deathbed deeds, this authoritative biography unites the Buddha of history with the Buddha of legend in a bid to reveal the lasting spiritual relevance at the heart of the Buddhist tradition. Acclaimed scholar John Strong examines not only the historical texts, but also the supernatural accounts that surround this great religious figure, uncovering the roots of many Buddhist beliefs and practices. John Strong is Professor and Chair of the Department of Philosophy and Religion at Bates College in Maine, USA.

"Among the many biographies of the Buddha available to the general reader, John Strong's remains the best. It draws from a vast body of sources with sensitivity and insight to paint a fascinating portrait of a towering figure." --Donald S. Lopez, Arthur E. Link Distinguished University Professor of Buddhist and Tibetan Studies, University of Michigan
"Strong's book is clearly the best available `Guide for Beginners'... But it will be of great interest for veteran Buddhist scholars; and for contemporary Buddhist practitioners as well."
About the AuthorJohn S. Strong is Charles A. Dana Professor of Religious Studies at Bates College in Maine, USA. He is the author of four other books on Buddhism.
