**J.A MacCulloch : The Celtic and Scandinavian Religions** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Celtic and Scandinavian Religions:

The author compares Celtic mythology and religion with the beliefs of early Scandinavian society. Vikings and Norsemen who raided British shores ruled parts of Britain for centuries. The religion of the Scandinavians was the

same as the religious beliefs and practices of their fellow Teutonic and Germanic tribes, and their chief deities and religious rituals were like those of Teutonic people anywhere.

About the Author J.A. MacCulloch was a scholar and author of several books, including *The Misty Isle of Skye*, *The Childhood of Fiction* and *The Religion of the Ancient Celts*.
