Charles Phillips : The Complete Illustrated History of the Aztec Maya: The Definitive Chronicle of the Ancient Peoples of Central America Mexico - Including the Aztec, Maya, Olmec, Mixtec, Toltec Zapotec before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Illustrated History of the Aztec Maya: The Definitive Chronicle of the Ancient Peoples of Central America Mexico - Including the Aztec, Maya, Olmec, Mixtec, Toltec Zapotec:

5 of 5 people found the following review helpful. Exactly where to start in learning about this subject.By Dragon

LadyI am buying this book for all of my research assistants, it is an excellent starting point for delving into the subject of Mesoamerica. Allowing them to find where to start looking on the subject. The listings in the back of picture sources will allow them to go on from there to dig into what is known by the museums and universities holding the items associated with the entries to get the full story behind them.3 of 3 people found the following review helpful. Interested in precolumbian Mexico---You NEED this book.By Joann Tiltonextremely well researched and very readable. this is the best I've seen on this subject. anyone interested in Mexican prehistory should refer to this very big and lushly illustrated volume.0 of 0 people found the following review helpful. Binding was bad but book itself is awesome!By Maria HernandezBinding was pretty bad shape. The book is a big one didn't expect it to be in that bad shape. But the book itself is just wonderful.

A comprehensive history of the fascinating empires of Central America with 1000 photographs and illustrations.
