before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Courts of Justice, Bench and Bar of Washington County, Pennsylvania: With Sketches of the Early Court-Houses, the Judicial System, the Law Judges, ... the Erection and Dedication of the Court-Houses*:

Excerpt from *The Courts of Justice, Bench and Bar of Washington County, Pennsylvania: With Sketches of the Early Court-Houses, the Judicial System, the Law Judges, and the Roll of Attorneys of That County; And a History of the Erection and Dedication of the Court-House of 1900; With Portraits and Illustrations* This volume, prepared during the summer and fall of 1901, but containing a utilization of notes of studies in local history covering a period of over twenty years, is chiefly for the information and entertainment of the good people to follow us, with whom an interest in the things of the olden time shall the more and more increase as the years to come shall change into the years of the past. In the preparation of every part of the work, very great care has been observed, both as to the matters that are of the long ago and as to those that belong to our own day, with, it is believed, a fair degree of success where accuracy was at all possible.
