K Srinivasa Raghavan : The Date of the Maha Bharata War and the Kali Yugadhi (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Date of the Maha Bharata War and the Kali Yugadhi (Classic Reprint):

Excerpt from *The Date of the Maha Bharata War and the Kali Yugadhi* I have gone carefully through all the essays of the occidental and oriental scholars in determining the date of the Maha Bharata War. Those scholars have variously fixed the date ranging from 1919 b.c. To 315 b.c. Most of their ideas are empirical and not a few of them are the product of fanciful imaginatipn or pre-conceived notions. It is now possible dispassionately to determine the correct date with a high degree of accuracy, and this is based on astronomical data and the internal evidence of the _maha Bharata alone: We may in fact justly and properly style the date of the Maha Bharata war, which the science of astronomy has now in controvertibly fixed on 22 Nov. 3067 b.c., as the true anchor sheet of Indian chronology and history, as every date indicated by Indian astronomy and supported by Ancient Indian Puranic history depends on it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
