Richard Russell Cassaro : The Deeper Truth: Uncovering the Missing History of Egypt before purchasing it in order to gage whether or not it would be worth my time, and all praised The Deeper Truth: Uncovering the Missing History of Egypt:

5 of 7 people found the following review helpful. FIRST GREAT DISCOVERY OF THE NEW CENTURYBy Jason G. HansenNot just one discovery...there are so many discoveries inside of every chapter! The Deeper Truth is a fitting title. The writing is excellent, it flows from one subject to the next beautifully, and there is so much information

packed neatly and tightly in. The first four chapters are absolutely brilliant. It is the kind of book you read over and over again. I have just started reading it for the second time around and I am finding things I didn't catch the first time. Highly recommended to alternative thinkers, Masons, as well as mainstream philosophers and theologians. 5 of 6 people found the following review helpful. Excellent Mysterious InspiringBy A CustomerThe deeper truth opened my eyes to a new horizon among the ancient Egyptian civilization and religion. I enjoyed the author's style of writing and how he tied Christianity, Muslim, and Judaism and how they point towards the ancient Egyptians. I also learned a lot of interesting relations between Jesus and Osiris 4 of 6 people found the following review helpful. A historical perspective on man's spiritual growthBy Ashley RedfordMr. Cassaro offers plausible conclusions reached by logically piecing events step by step, completing one possible puzzle that encompasses all of mankind's moral existence on Earth. An easy walkthrough for an inquiring and open mind.

WHO TAUGHT THE ANCIENT EGYPTIANS TO BELIEVE IN GOD, HEAVEN, RESURRECTION, ETERNAL LIFE, AND THE DAY OF JUDGMENT?

"I found THE DEEPER TRUTH revelatory. I learned many things about Egyptian history and religion and . . . found this information fascinating . . ." -- Hillel Black, Executive Editor, SourcebooksCassaro explores the similarities . . . in their teachings, practices, symbols, and even physical appearances... Excellent work, lots of good pictures. -- Tracy R. Twyman, Editor, Dagobert's RevengeFascinating research. THE DEEPER TRUTH confirms what I have suspected for many years now... -- Peter Gersten, CAUSI was impressed by the overall scholarship - including the fine editing ... enjoyed the historical account ... treasure-trove of fascinating episodes. -- Robert Hoffstein, Author of WISDOM STORIESRevelatory. I learned many things ... fascinating. The argument is logically presented and the evidence is very strong. -- Hillel Black, Executive Editor, SourcebooksTHE DEEPER TRUTH is a thought-provoking, fascinating, and spiritually uplifting work that offers many interesting questions and equally logical answers. -- Elaine Resnik, Co-Founder, The Eyes of LearningFrom the AuthorEgyptologists tell us that Osiris was, far and away, the most important figure in Egyptian history. Similarly, Jesus Christ has been the most important figure among cultures that have come after. The parallels between Osiris (3100 BC) and Jesus Christ (0 BC/AD) are amazing, from their physical appearances, as portrayed on the cover of THE DEEPER TRUTH, to their similar stories of death and resurrection. What's the explanation? Does the old "Jesus story patterned after Osiris myth" answer do it for you? Not me, not when considering the legacy of these two beings. They changed history in so many ways. They made people moral and virtuous, they taught transcendent spiritual concepts, they provided laws, they sowed the seeds of love, and they introduced the concept of humanity. So what, then, is the answer to this strange historical puzzle?About the AuthorRichard Russell Cassaro holds a BA in Journalism and a Minor in Philosophy from New York City's Pace University. He works as a Freelance Writer and is an Assistant Editor for an international publishing company.
