Oliver O'Donovan : The Desire of the Nations: Rediscovering the Roots of Political Theology before purchasing it in order to gage whether or not it would be worth my time, and all praised The Desire of the Nations: Rediscovering the Roots of Political Theology:

This book by Oliver O'Donovan is a work of systematic Christian political thought, combining Biblical interpretation, historical discussion of the Western political and theological tradition, theoretical construction and critical engagement with contemporary views. It argues for an alternative to political theology, one that is more politically constructive than the dominant models of the past generation.
