M. M. Ninan : The Development Of Hinduism before purchasing it in order to gage whether or not it would be worth my time, and all praised The Development Of Hinduism:

This book is a study of development of Hinduism from the ashes of Vedic religion under various influences of local and foreign religions and philosophies. Under the strangle of atheistic sciences of Buddhism and Jainism the reeling Vedics found new resources from the monotheistic religion of Christianity brought in by St.Thomas along with other local religions, cults, hero worship and occult practices. It deals extensively on the formation of Vaisnavism of today and the real philosophy and purport of Krishna cults.
