**Bat Yeor : The Dhimmi: Jews Christians Under Islam** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dhimmi: Jews Christians Under Islam:

Indispensable to the Western observer for a full understanding of the complexities of the conflicts in the Middle East,

this study analyzes and documents the historical, social, and spiritual realities of the dhimmi peoples\_ the non-Arab and non-Muslim communities subjected to Muslim domination after the conquest of their territories by Arabs.

About the AuthorBat Yeor, born in Cairo, became a stateless refugee in 1957 and a British citizen in 1959. Her first book, *The Jews of Egypt* (French/1971; Hebrew 1974) was followed by *Le Dhimmi*(1980), widely acclaimed when the English edition appeared in 1985 (Hebrew/1986Z; Russian/1991). It remains an essential introduction to her second major work, *The Decline of Eastern Christianity under Islam: From Jihad to Dhimmitude* (1996; German/2002). The French edition (1991) established the authors reputation as an innovative thinker in a new field of research, which has now been greatly enhanced by her third study, *Islam and Dhimmitude: Where Civilization Collide* (2002). All of her books are regularly reprinted.
