Carl Olson : The Different Paths of Buddhism: A Narrative-Historical Introduction before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Different Paths of Buddhism: A Narrative-Historical Introduction:

0 of 2 people found the following review helpful. but the service it not good. By Noah Stewart The amount of restrictions this publisher has is outrageous. It makes it nearly impossible to locate a place where one can buy the

book. The content may be well-written, but the service it not good.15 of 17 people found the following review helpful. The history of Buddhism's various branchesBy Midwest Book ReviewDistinguished professor of religious studies Carl Olson presents *The Different Paths of Buddhism: A Narrative-Historical Introduction*, a comprehensive introduction to the various branches of Buddhist tradition in both the Mahayana and Theravada schools, including the the Madhyamika school, the Yogacara school Pure Land devotionalism, Tibetan Tantric Buddhism, Zen Buddhism, and village folk Buddhist traditions. Chapters explore recurring themes in Buddhist narratives, philosophy and ethics in context, detailed technical examinations, scrutiny of the history of various schools, and much more. A smattering of black-and-white photographs illustrate this scholarly evaluation, ideal for those interested in acquainting themselves with the history of Buddhism's various branches.1 of 1 people found the following review helpful. A great book!By Mrten HemstrmIt's rare to find a book on buddhism that both well written and neutral. This one is both, and also gives you a lot of facts, with footnotes!

For centuries, Buddhist teachers and laypeople have used stories, symbols, cultural metaphors, and anecdotes to teach and express their religious views. In this introductory textbook, Carl Olson draws on these narrative traditions to detail the development of Buddhism from the life of the historical Buddha to the present. By organizing the text according to the structure of Buddhist thought and teaching, Olson avoids imposing a Western perspective that traditional texts commonly bring to the subject. The book offers a comprehensive introduction to the main branches of the Buddhist tradition in both the Mahayana and Theravada schools, including the Madhyamika school, the Yogacara school, Pure Land devotionalism, Tibetan Tantric Buddhism, Zen Buddhism, and village folk Buddhist traditions. Chapters explore the life and teachings of the Buddha in historical context, the early development and institutionalization of Buddhism, its geographic spread across Asia and eventually to the United States, philosophy and ethics, the relationship between monks and laity, political and ethical implications, the role of women in the Buddhist tradition, and contemporary reinterpretations of Buddhism. Drawn from decades of classroom experience, this creative and ambitious text combines expert scholarship and engaging stories that offer a much-needed perspective to the existing literature on the topic.

About the AuthorCarl Olson is a professor of religious studies at Allegheny College.
