3 of 3 people found the following review helpful. Love this Book By Kurt G. Zeigler Love this Book. more pages. than any other Book of the Dead . and Love ancient Egypt Sad to see what it has fallen to. today 0 of 0 people found the following review helpful. Profound wisdom, great price. By Phil Harris Profound wisdom in here. May take multiple readings and additional research to understand, but this is an essential book for those wishing to understand Ancient

Egyptian religion and spirituality. Penguin classics always make excellent reproductions as well, at a very fair price. 1 of 1 people found the following review helpful. Five StarsBy Chesrer HeretykA classic book

A unique collection of funerary texts from a wide variety of sources, dating from the 15th to the 4th century BC. Consisting of spells, prayers and incantations, each section contains the words of power to overcome obstacles in the afterlife. The papyrus were often left in sarcophagi for the dead to use as passports on their journey from burial, and were full of advice about the ferryman, gods and kings they would meet on the way. Offering valuable insights into ancient Egypt, The Book of the Dead has also inspired fascination with the occult and the afterlife in recent years. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
