**Maureen Burton : The Financial System and The Economy: Principles of Money and Banking: 4th (fourth) edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Financial System and The Economy: Principles of Money and Banking: 4th (fourth) edition:

2 of 2 people found the following review helpful. Great Content, Long ReadBy Ryan ChaffinThis book is great for those that have no foundation on the financial system. It covers everything from basic ideas and definitions to more complex ideas and systems. It was used as the textbook for one of my college classes, and I enjoyed it. The ideas also helped reinforce concepts I was studying for the CFA Level I exam. Keep in mind it's a lengthy read.0 of 0 people found the following review helpful. This book Condition is perfect!By Yanshan ChenThis bookCondition is perfect!1 of 1 people found the following review helpful. Five StarsBy SuzetteGood book. It arrived earlier than I expected.

Financial System and the Economy 4TH EDITION by Maureen Burton and Raymond Lombra. South-Western Publishing Co.,2006 (
