Llewellyn's Golden Dawn Journal series is the best in a very good series. It is a superb anthology of materials relating to Hermeticism and the Golden Dawn, including scholarly research, inspired speculation, and original rituals. It is a treasure trove for the student and particularly the practitioner of the Hermetic Arts. Five Stars, absolutely. 0 of 1 people found the following review helpful. This volume reflects the magical teachings and philosophy of the Hermetic Tradition, upon which all Western occultism since the Middle Ages is based. The book explores the techniques used in ceremonial magick and includes ritual advice for the working magician. Hermes Trismegistus is the god of wisdom of the Graeco-Egyptian philosophers who lived in Egypt in the early centuries of the Christian era. He is linked with alchemy, medicine, magic and the mysteries. All secret school and orders in the West that claim an occult tradition (such as Freemasonry) may be loosely linked with Hermes. The editors trace the course of the Hermetic tradition from ancient Egypt, through Greek philosophy and the Greek Mystery religions, Gnosticism, Neoplatonism and the Kabbalah, down to the modern occult revival and the Golden Dawn.

About the Author Both Chic and Tabatha are Chief Adepts of the Golden Dawn as re-established by Israel Regardie. The Hermetic Order of the Golden Dawn, of which Chic is the G.H. Imperator, and Tabatha is the G.H. Cancellaria, is an international Order with Temples in several countries. The Ciceros have written numerous books on the Golden Dawn, Tarot, and Magic, including Self-Initiation into the Golden Dawn Tradition, The Essential Golden Dawn, Tarot Talismans, and updates, annotations and introductions to classic Israel Regardie texts such as The Philosopher's Stone, The Middle Pillar and A Garden of Pomegranates.
