**Malidoma Patrice Some : The Healing Wisdom of Africa: Finding Life Purpose Through Nature, Ritual, and Community** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Healing Wisdom of Africa: Finding Life Purpose Through Nature, Ritual, and Community:

2 of 2 people found the following review helpful. Five StarsBy D. C. ScheuflerVery good read for all students and practitioners of shamanism2 of 2 people found the following review helpful. Must Read for Anyone in a Healing ProfessionBy new england journeymanA fascinating look at real wisdom that can help our technological, busy lifestyles. With one foot in the modern world and another in ancient healing traditions, Dr. Some blows the lid off all of our assumptions about consciousness, about health, about those places from where real healing comes.1 of 1 people found the following review helpful. Five StarsBy Customervery well written no dogma

Through *The Healing Wisdom of Africa*, readers can come to understand that the life of indigenous and traditional people is a paradigm for an intimate relationship with the natural world that both surrounds us and is within us. The book is the most complete study of the role ritual plays in the lives of African people--and the role it can play for seekers in the West.

About the AuthorMalidoma Patrice Som, born in Upper Volta (now Burkina Faso) West Africa, is initiated in the ancestral traditions of his tribe, and is a medicine man and diviner in the Dagra culture. He holds three master's degrees and two doctorates from Sorbonne and Brandeis University, and has taught at the University of Michigan. He currently devotes himself to speaking and, with his wife, Sobonfu, conducting intensive workshops throughout the United States.
