**Vasily Grossman : The Hell of Treblinka** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hell of Treblinka:

0 of 0 people found the following review helpful. Chillingly accurate. A must readBy L. HochhauserGrossman has a way with words which makes what he writes come eerily to life. A chilling book which describes the hell that was treblinka astonishingly well a must read in order to fully understand how the nazi beasts mind worked, and to fully comprehend to what lengths they were willing to go to annihilate a people just for being Jewish.1 of 2 people found the following review helpful. Treblinka, the Nazi's Prize Murder FacilityBy Husker005Grossman's description of

Treblinka's horrors is clear, concise, unforgettable. The most powerful account of the inhumanity of Nazi Germany's killing machine I've read...and I've read lots of these accounts.3 of 4 people found the following review helpful. Five StarsBy Tony J. MunozExcellent account of true extermination. They almost got away with hiding the process

It is the writers duty to tell the terrible truth, and it is a readers civic duty to learn this truth. To turn away, to close ones eyes and walk past is to insult the memory of those who have perished. Vasily Grossman, an official journalist with the Red Army and one of the first Russians to enter the Treblinka death camp, struggles to comprehend the barbarity and the inhuman atrocities committed by the Nazis. An excellent journalist, he presents the facts as reported to him by the survivors and the captured Nazis. As he writes it is a story so unreal that it seems like the product of insanity and delirium.
