This has nothing to do with the content of the book but the formatting into e book made it very hard to follow, read, and search for things within the book.

Excerpt from The History of Cohoes, New York: From Its Earliest Settlement to the Present Time
An effort has been made to relate in addition the principal facts in the early history of this locality, and to describe the general progress of the place since the first steps were taken, fifty years ago, towards the development of its resources, giving accounts of its various institutions and of the most important local events.
