One could only assume that this book contains all three volumes. Instead, when opening, there is only volume II. The fault is mine for buying an inexpensive reprint from an unknown source. Shame on me.0 of 0 people found the following review helpful. Five StarsBy midaexcellent resource0 of 0 people found the following review helpful. Mayhew has rendered me distinct service in many ways, too numerous to mention. To these names I add that of Hon. Howes Norris, who rendered me special aid in the history of his native town.About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books.
