Norman J. W. Goda : The Holocaust: Europe, the World, and the Jews, 1918 - 1945 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Holocaust: Europe, the World, and the Jews, 1918 - 1945:

3 of 3 people found the following review helpful. ImpactfulBy Marissa fornaroI purchased this book for a history class I was taking and it was extremely impactful. This is a topic that was tough to get through, but a need-to-know. I recommend reading it even if it is not for a class.0 of 0 people found the following review helpful. Five StarsBy PrincessdGood gondition0 of 0 people found the following review helpful. Five StarsBy Zangana76Great book, extremely informative.

The Holocaust: Europe, the World, and the Jews is a readable text for undergraduate students containing sufficient but manageable detail. The author provides a broad set of perspectives, while emphasizing the Holocaust as a catastrophe emerging from an international Jewish question. This text conveys a sense of the Holocaust's many moving parts. It is

arranged chronologically and geographically to reflect how persecution, experience, and choices varied over different periods and places. Instructors may also take a thematic approach, as the chapters have distinct sections on such topics as German decisions, Jewish responses, bystander reactions, and other themes.

The clever synthesis of secondary material and the quotes from survivors and others give the students a personal feel for catastrophe. -Severin Hochberg, George Washington University The international, indeed global approach, is very sound, and sets this book apart from others. I would strongly consider using it The breadth is distinctive and impressive. -David Tompkins, Carleton College This book could adequately serve two purposes: as a fine introductory-level work to assign to students, and as a resource for faculty. -William Drumright, Monroe Community College Well organized. What a relief. Thank you. I would order this text in a minute. -Jan-Ruth Mills, Pima Community College I would highly recommend the book for those who teach a Holocaust course that comes out of Judaic/Jewish studies program. This would be a good solid text that would serve undergraduates quite well. -Randall Kaufman, Miami Dade College Homestead Campus About the Author Norman J.W. Goda is the Norman and Irma Braman Professor of Holocaust Studies at the University of Florida. He is the author of: *Tomorrow the World: Hitler, Northwest Africa, and the Path toward America* (1998) and *Tales from Spandau: Nazi Criminals and the Cold War* (2007) as well as co-author of (with Richard Breitman), *US Intelligence and the Nazis* (2005) and *Hitler's Shadow: Nazi War Criminals, US Intelligence, and the Cold War* (2010).
