Adrian Gilbert, Alan Wilson, Baram Blackett : The Holy Kingdom: The Quest for the Real King Arthur before purchasing it in order to gage whether or not it would be worth my time, and all praised The Holy Kingdom: The Quest for the Real King Arthur:

0 of 0 people found the following review helpful. Evidently everything I thought I knew about European history is ...By SleepyshoeEvidently everything I thought I knew about European history is false, according to this book. The writers have spent many years of research to uncover the truth and their facts are quite convincing but I was not

completely won over on everything. The massive meteor that almost destroyed Britain in 4th century does go a long way in explaining the 'Dark Ages' and the 'Black Death' which never quite made sense to me before. A little long winded, people and places all seemed to have 2, 3 or even 4 different names back then, but still well written and explained. 0 of 4 people found the following review helpful. Wow By kascGreat read 0 of 5 people found the following review helpful. Five Stars By edward caminaCool

Lost in the mists of time and legend is the true history of Britain before the arrival of the Romans and after their departure. Using ancient historical records, this book asserts that Britain was never fully conquered by the Romans but retained its culture as its royal families intermarried with the caesars. Two British kings, both named Arthur, became the single King Arthur of myth and legend. As a result of 40 years of research, this book reveals the location of the graves of both Arthurs, the burial place of the true cross of Christ, and many other mysteries. It challenges many orthodox beliefs perpetuated by a church that long ago lost touch with its roots.

About the Author Adrian Gilbert is the author of Signs in the Sky, The Orion Mystery, The Mayan Prophecies, and Magi. Alan Wilson and Baram Blackett are the coauthors of Artorius Rex Discovered, King Arthur, and King of Glamorgan.
