Gloria K. Fiero : The Humanistic Tradition Volume 1: Prehistory to the Early Modern World before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Humanistic Tradition Volume 1: Prehistory to the Early Modern World:

1 of 1 people found the following review helpful. Pretty good, for a textbookBy Alex LoriaI rented this book for my Humanities 201 class, and I thought that it was gonna be the exact same as most other textbooks: boringly written in boring style with boringly boring boredom printed everywhere. This one isn't like that! It's hard to make a textbook on history interesting but the author of this book sure gave it a shot and it turned out pretty well. Instead of just listing events it talks more about how cultures and civilizations influenced each other across the globe and through the years.

It is much easier to learn about humanity when you're focussing on the bigger picture, not looking at the little pieces with scrutiny. There are excerpts from historical texts to add a sense of authenticity to the lessons, and the online resources are actually very helpful as well. I know that if you're getting this for a college class you probably don't have a choice on what book to buy, but if you're assigned this one then it won't be bad at all! 0 of 0 people found the following review helpful. Five Stars By todd ferrias needed 1 of 1 people found the following review helpful. Four Stars By keonia woods Came out just as I need in good condition. Wish the price was cheaper

Understanding that a global humanities course is taught in varying ways, Gloria Fiero redefines the discipline for greater flexibility with the 7th Edition of *The Humanistic Tradition*. Enhanced by McGraw-Hill Education's LearnSmart and SmartBook, Fiero delivers a learning experience tailored to the needs of each institution, instructor, and student. With the ability to incorporate new extended readings, streaming music, and artwork, *The Humanistic Tradition* renews the understanding of the relationship between world cultures and humankind's creative legacy. McGraw-Hill Connect Humanities is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient.

About the Author Gloria Konig Fiero was born and raised in New York City. She earned her Masters degree in Art History at the University of California, Berkeley, and her Ph.D. in Interdisciplinary Humanities at the Florida State University. She has taught Humanities, World History, and Art History for more than twenty-five years. She has written and lectured extensively on medieval and renaissance topics and on the arts of both East and West as they reflect the human condition. She currently divides her time between New Orleans, Louisiana, and New York City.
