Gloria Fiero : The Humanistic Tradition Volume I: Prehistory to the Early Modern World before purchasing it in order to gage whether or not it would be worth my time, and all praised The Humanistic Tradition Volume I: Prehistory to the Early Modern World:

0 of 0 people found the following review helpful. This entire series is easy to readBy Ms. McWethyI am on an adventure of new learning. This entire series is easy to read, with clear writing, and enough information to make you understand the era from different perspectives - and if I want to research further somewhere else, it is because something in the reading whet my interest. Love this series!0 of 0 people found the following review helpful. Better than expected.By D. L. LoveAwesome, This book was in better condition than the one I have to replace for 1/3 the cost. It's a well enough written book that I'd like to someday own it for myself but unfortunately I have to return this

one to my schools bookstore. 1 of 1 people found the following review helpful. A great read if that's your thing. By Jason M. Tharp
I purchased this book and Volume 2 for my PHIL 106 class. They are both very well written and well laid out. They are both chocked full of great information for the aspiring student.

Interdisciplinary in approach and topical in focus, the sixth edition of *The Humanistic Tradition* continues to bring to life humankind's creative legacy. With more than 800 illustrations and some 150 literary sources in accessible translations, this widely acclaimed humanities survey takes a global perspective that is at once selective and engaging, and helps students better understand the relationship between world cultures. Available in multiple formats, *The Humanistic Tradition* examines the political, economic, and social contexts out of which history's most memorable achievements emerged.

About the Author
Gloria König Fiero was born and raised in New York City. She earned her Masters degree in Art History at the University of California, Berkeley, and her Ph.D. in Interdisciplinary Humanities at the Florida State University. She has taught Humanities, World History, and Art History for more than twenty-five years. She has written and lectured extensively on medieval and renaissance topics and on the arts of both East and West as they reflect the human condition. She currently divides her time between New Orleans, Louisiana, and New York City.
