After 50 years of reading about these things, it is still baffling that it is still going on and growing exponentially. The only thing I disagree with in this book is the fact that Mark Dice puts the Illuminati as the leader in setting up the anti-christ. Anyone familiar with the Reformation period must be aware that most of the reformers were well aware of and identified the Papacy as the anti-christ. We do not have to look to the future to find him. It is the 7 headed beast of Rev. and the little horn of Daniel. These other organizations are merely organizations to help the devil with his plans of deception. Everything is being orchestrated from Rome the city of 7 hills. Even with this difference of opinion, I believe this is the best work so far on this subject. 3 of 3 people found the following review helpful. Very good book. Informative and looks like it has all ... By Frank Stagno Very good book. Informative and looks like it has all the research to back it up. I would recommend to friends and family. 8 of 9 people found the following review helpful. Universal truth is not measured by mass appeal By 20something Sales Exec If you want to know the truth, then this book is for you. If you wish to remain blind, uneducated, and ignorant then good luck to you. This book is one of the best written non-fictions I have ever personally read. It explains so much about the things in our world that don't seem to make sense unless you understand the long term plans of the powers that be. Mark Dice has done an excellent job of separating the myths, disinformation from the facts and

explaining where the information came from. This dispels the crazy conspiracy theories about this group and uses only facts to explain the reality of our situation. I want to thank Mark Dice for opening my eyes, because once you have seen the truth, there is no going back. I highly, highly recommend this book for every person in the world, American, Western, Asian, Middle Eastern, everyone should read this. The information within is too valuable to not know. We have to wake people up and change the course of history before it is too late.

Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's *Angels and Demons* and Hollywood movies like *Lara Croft: Tomb Raider*. More recently, music videos, award shows, and sporting events are said to be somehow connected. Some men have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction. In *The Illuminati: Facts Fiction*, conspiracy and occult expert Mark Dice separates history from Hollywood and shows why tales of the secret society won't die. - Original Writings and Documents - Purported Texts - Freemasonry's Connections - The Georgia Guidestones - Alleged Victims and Defectors - Aliens and Reptilians - Activists and Eyewitnesses - Fictional Books - Fictional Films - TV references - Mainstream Media Manipulation - Documentary Films - The Music Industry - Rappers and Pop Stars - Pre-Illuminati Organizations - The Luciferian Doctrine - The Federal Reserve - *Skull and Bones* - The Bilderberg Group - Bohemian Grove - The Council on Foreign Relations - The Franklin Cover-up - Sex Magic - Election Fraud - The Necronomicon - The Secret Doctrine - Emerald Tablet - The Book of Thoth - The Book of Dzyan - The Report From Iron Mountain - Protocols of the Elders of Zion - The Holy Grail - MK-ULTRA Documents - The Satanic Bible - The Secret Doctrine - David Rockefeller's Memoirs - Memoirs Illustrating the History of Jacobinism - Secret Societies and Subversive Movements - Occult Theocracy - Externalization of the Hierarchy - None Dare Call It Conspiracy - *Magick: In Theory and Practice* - Bloodlines of the Illuminati - The Lexicon of Freemasonry - Morals and Dogma - The Secret Teachings of All Ages - Myron Fagan - Edith Miller - Gary Allen - Abbe Barruel - Nesta Webster - Anthony J.
