It is an eloquent and powerful history of the Holy Land that empowers advocates of Israel to counter the biased and antisemitic arguments of those who wish to defame Israel in print and in public. EXPLAINS WHY DELEGITIMIZATION OF ISRAEL IS RACIST ANTI - SEMITISM, AND HOW TO FIGHT IT.By CustomerSuccinctly defies the problem of anti - Israel animus and provides practical ways to fight back. Deconstructs hysterical campus anti - Israel bias as anti Semitism, and provides persuasive arguments underlining Israel's success in remaining dedicated to the rule of law, maintaining an ethical civic society and democracy amidst the most virulent, prejudiced, concentrated p.r. attacks in recent history upon a true democracy.3 of 3 people found the following review helpful. Great review of the Jewish struggle in the last century.By Joanne BartoshI will re-read this book. There is so much I want to commit to memory. We forget and are no longer educated in this country about the existential struggle between good and evil. The PC police have us all cowed. Thanks for an awesome book!

Are you fed up with the nonstop attacks on Israel that reek of double standards and hatred? With the foul moral equivalency of Jews dying as targets of terrorists and Palestinians dying undertaking acts of terrorism? With the United Nations continuous condemnation of the only democracy in the Middle East, while overlooking the ghastly human rights abuses of its Arab neighbors? With the duplicity of the Western media, which cares more when Israelis add rooms to apartments in East Jerusalem than when over 470,000 Arabs are killed in Syria? There comes a point when we stop and say, Enough. We will no longer tolerate anti-Israel lies. We will stand up for Israel and truth. The goal of this book is to give you the information and the tools you need so that together, we can accomplish this important and urgent task. You will use your knowledge and your wits to fight back in debate, discussion, and dialogue to publicize the justice of Israel's cause. This book is dedicated to the proposition that Israel can and will win the argument in the marketplace of ideas because her greatest commodity is the minds and souls of those who care enough to learn the truth and then, armed with that truth, the courage to take a stand. Become a warrior for Israel.

The Israel Warrior provides key facts and arguments necessary to combat and defeat the lies of the BDS movement. A must read for every supporter of Israel. --Alan Dershowitz, Emeritus Harvard Law Professor, author of The Case for IsraelRegarding the Israeli-Palestinian conflict and so much else much of the world's moral compass is broken. Shmuley Boteach's book, which analyzes the entire history of that conflict, resets the moral compass. That is how persuasive and powerful a work it is. --Dennis Prager, nationally syndicated radio talk show host, bestselling author of Still the Best HopeIn his new book The Israel Warrior, Rabbi Shmuley Boteach rises to the occasion with a spirited, factual, and comprehensive defense of Israel against one-sided UN resolutions, media bias, and unacceptable international double standards. All who work to support Israel's cause will find so much to gain from this book. --Chris Christie, Governor of New Jersey Well organized, extremely readable, and straight to the point, this book is of vital importance for every lover of Israel.--Michael Steinhardt, co-founder Birthright Israel Rabbi Shmuley Boteach is an important voice against propaganda that too often distorts the issues and makes peace more difficult to achieve.--Roz Rothstein, CEO and Co-Founder of StandWithUs This book is vital to those who seek justice, truth, and democracy in the Middle East. --Dr. Mitchell Bard, Author of Myths and FactsAbout the AuthorShmuley Boteach, America's Rabbi, is one of Israel's best-known and most respected advocates in global media and has defended Israel in celebrated public debates throughout the world. He is widely acknowledged as one of the foremost spiritual leaders, values exponents, and relationship experts of our time. The author of thirty books which have been translated into eighteen languages, Rabbi Shmuley's syndicated columns and TV and radio shows appear in media throughout the world. Rabbi Shmuley was labeled a cultural phenomenon and the most famous rabbi in America by Newsweek magazine and The Washington Post, one of the fifty most influential Jewish personalities in the world by The Jerusalem Post, and is the only rabbi ever to win the highly prestigious London Times Preacher of the Year award. Having served for eleven years as rabbi at the University of Oxford, Rabbi Shmuley founded the World Values Network, one of the leading organizations defending Israel against its detractors in world media. Rabbi Shmuley lives in the New York Metropolitan area with his wife Debbie. They have nine children and two grandchildren.
